Subject: Request for Extension – Round Valley Quarry, Morgan, Utah – M/029/0004

Dear Mr. Baker and Ms. Heppler,

LafargeHolcim also known as Holcim (US) Inc. is acting on behalf of Scott and Joseph Rees.

Holcim (US) Inc. continues to be active in negotiations with Scott and Joseph Rees to take over the mine permit and reclamation bonding for Round Valley M/029/0004.

As part of the contract between Rees and Holcim (US) Inc., Holcim (US) Inc. will issue a Surety Bond to the State of Utah for the amount of \$1,810,000. (DOGM Reference Task 7281) with the transfer of the permit to Holcim (US) Inc. The Surety Bond is in the process of being applied for at this time.

This letter is also to request an extension of the date set in your letter dated July 5, 2016.

We would propose a date of November 30, 2016 to file for the transfer of the permit and the posting of the Surety Bond.

Your consideration for this extension is most appreciated.

Sincerely,

A handwritten electronic signature in cursive script that reads 'Michael B. Toelle'.
